+ Om. Dreyden's name

A close-up photograph of a metal casting, likely a ductile iron part, showing a horizontal crack and a vertical crack. The metal has a dark, textured surface, and the cracks are clearly visible, indicating a failure in the casting process.

Almanasor, en Astrologus, sa  
ger oc saa i hans Aphorismis, i det  
24. Capitel at det er icke gaat at lade  
Aarer / naar Maanen er ydi Tuils  
lingene.

V Ngt Folk skulle lade dennem  
Aarer / naar Maanen groer / oc  
gammelt Folk / naar Maanen for  
mindstis.

icke heller saa suag vdaff / som aff  
Aareladende.

Hali Abenragel siger / at det er  
bedre at sette Kopper effter den fulde  
Maane vdi det sidste Quarter / end  
ellers en anden tid.

OC Almanasor siger / at det er  
icke gaat at sette Kopper vdi Tiua
